

Week 8: Engages in Biblical Community

Objective: [1 minute]

To understand that a true disciple highly values Biblical Community – they treasure and care for the people in it.

Theme Verse: [1 minute]

Hebrews 10:25

Not giving up meeting together, as some are in the habit of doing, but encouraging one another – and all the more as you see the Day approaching.

Group Time:

Recap last week's session [10 minutes]

Ask if anyone has any relevant stories to share with the group about something that has happened throughout this “10” series [10 minutes]

Weekly Video: [5 minutes]

Discussion: [40 minutes]

Action: [5 minutes]

Remember that takeaways are vital; do your best to challenge yourself and the group members to consider an “action item” for engaging in Biblical Community. It's great that everyone is already in a small group but there must be a way that we can take our application of this quality even further. For some of your group members, perhaps it is time to consider taking on their own group as a Leader or Host.

Prayer: [10 minutes]

As you close the group session, pray together as a group and encourage group members to join you for the next session as well as read the upcoming chapter “Just and Generous”.

Key Discussion Questions (additional questions found at the end of chapter):

1. What are some reasons people are afraid of authenticity? Which of those reasons are legitimate, or at least understandable? Explain your answer.
 2. If you got gravely sick today and were rushed to the hospital, who would know? Who would come to see you? Who would take care of your needs for you? Who would you do these things for?
